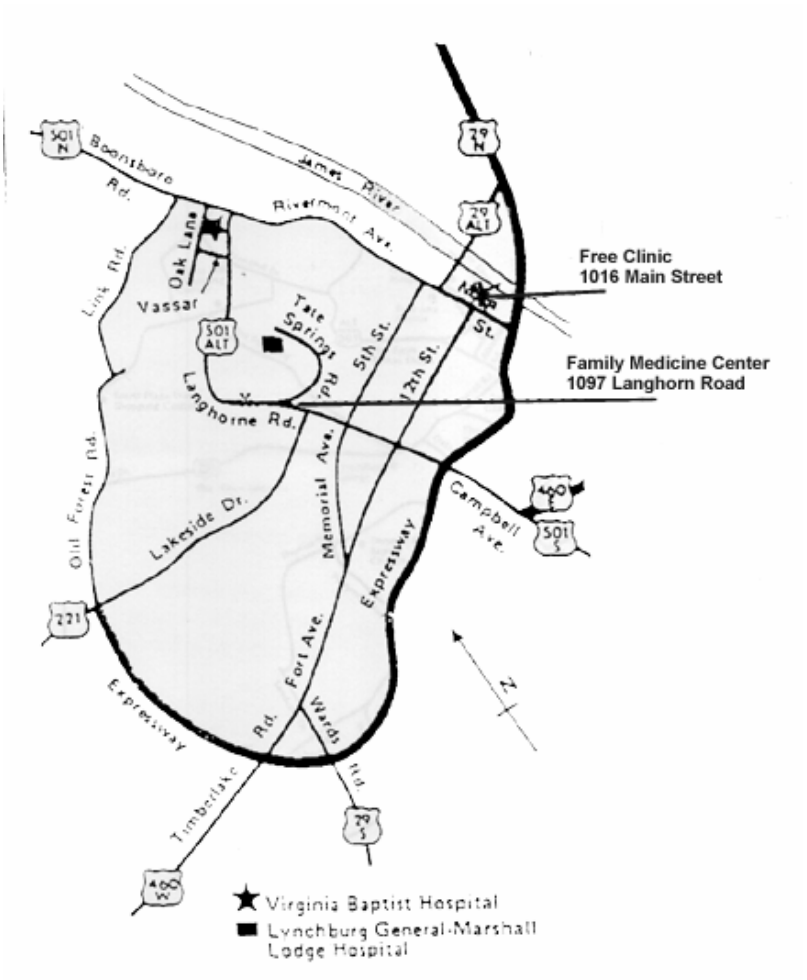
Directions: From Charlottesville to The Lynchburg Family Practice Residency

Dorm Address: Dillard Nurse's Residence
1901 Tate Springs Road
Lynchburg, VA 24501
Tel: 947-5210

Driving time: approximately 1 hour 15 minutes

- Take 29 South and drive for about 60 miles.
- You get to a long strip of fast-food restaurants and gas stations in Madison Heights
- Take the first exit to Lynchburg – 29 business (the exit is shortly after the Kroger/K-Mart shopping center on your right.
- Drive down the hill to the James River, across the bridge and straight up onto 5th street.
- At the 1st major intersection after the Chamber of Commerce and at the light, take a right onto LANGHORN Road – 501 North (after you turn EC Glass High School is on your left)
- Drive about ½ mile on Langhorne Road and shortly after Holy Cross School, you will find the home of the residency: 2097 Langhorn Road
- If you get lost call 947-5210

If going to the dorm, note the signs on Langhorne Road leading you to Lynchburg General Hospital. Take the last driveway into the hospital which happens to be the entrance to the emergency department. The dorm is located across from the Emergency Room.



There are dormitory-style double rooms with bathrooms and telephones in the hallway. Rooms are furnished and air-conditioned. Linens, laundry facilities, a kitchen, a fitness center, and parking are all available.

Internet Access: There is access in the halls outside the dorm rooms, in the lobby of the dorm, and at the library.

You may check into the dormitory anytime on Monday afternoon, prior to your orientation session at Lynchburg Family Practice. Please pick up your key from Ms. Stickley or Ms. Quick at the dormitory. If you have any questions or difficulties, the office phone is: 804-947-3070

Meal cards are given to students for the Lynchburg General Hospital cafeteria. Cards can be used to purchase food only. For each meal card you receive: one entrée, two side dishes, one bread, one dessert and one drink. Meal cards cannot be used to purchase candy and other snack items.

No alcohol is permitted inside the dormitory.

Student Evals: Rating 2004/2005 "excellent setup. Carolyn and Mary are super nice" "The nursing dorm is nice since it has a gym to use free in the basement and the food at the hospital cafeteria is okay, not bad but not much selection."

Rating 2003/2004: "Great"

Rating 2002/2003: "Poor" to "Fair" to "Good"
Recommended by some and also not recommended by some.

2003/2004 "Be sure to note that we were both very satisfied with the housing. We had heard that the nursing dorm was not ideal, but found that this was not the case at all."

2002/2003 "…did not feel comfortable staying in a dorm with strangers where I would have to share a bathroom."
